Heating Bills Will Be Lower With Natural Gas

The differences in cost of heating with natural gas as compared to heating with oil, coal and propane gas, were outlined by F. W. Patterson of Lethbridge, District Manager of the Canadian Western Natural Gas Co., at a meeting of ratepayers of the Town of Vulcan, held in the Lodge Hall Friday evening.

Mr. Patterson, who was accompanied by other company officials, was introduced by Mayor William Munro.

Natural gas will provide cheaper heat than either oil or coal, said Mr. Patterson, and at the 75 cent rate which will be charged in Vulcan will be about half the cost of the air-mix propane now used in about half the houses in town.

The company hopes to be supplying the town with natural gas by the end of August this year and before that time will have a crew in to extend the present distribution system and connect up houses and business places.

The basic charge for connecting up a house would be \$5.00 plus 95 cents per foot of line necessary for the installation, he said. In addition, the deposit required for each connection will be \$10 for a house with no furnace and \$15 for a house that has a furnace. Each such deposit will bear interest at 5% per annum and is refundable if the gas service is discontinued.

Granting of a franchise to the Gas Company does not mean that all householders will be forced to take the gas. A signed application will be required from each house-owner wishing natural gas service. Those wishing to continue using oil or coal will be able to do so.

Approval of the by-law granting the franchise to Canadian Western is necessary if Vulcan is to get natural gas service this year. The poll will be held at the Town Office on Friday of this week, May 29, from 10 a.m. until 7 p.m., with J. Lundy Findlay as returning officer. Ratepayers are urged to turn out and vote "Yes" on Friday so there will be no further delay in getting natural gas to Vulcan.

Flittons First In '59 Talent Review

The talented Flittton family from Vulcan, featuring a variety act, placed first in the '59 Talent Review competition recently held in Lethbridge. They were awarded a trophy and a cash prize.

Pianist Irene Weiss of Cardston placed second and Ronald Sikine of Cranbrook, accordionist, third.

About 500 persons were on hand to see the show, which featured well-known television personality Gordie Tapp.

The event was sponsored by the General Stewart branch, Canadian Legion and the Lethbridge Cosmopolitan Club. Proceeds went to the Legion Polio fund.

Judges were Dean James Cousins of the Lethbridge Junior College, Dr. B. Wayne Matkin and Mrs. Dorothy Glock.

SERVICE BOARD NOTES

By H. S. Burns

Grasshoppers are now making their appearance in some areas. Watch for them closely around headlands etc. They are very small and black in color at hatching. The time to spray them is as soon as possible after they are all hatched out.

The Department of Agriculture recommends Aldrin or Dieldrin. A gallon of Aldrin will spray 20 acres if used when the hoppers are young, one gallon of Dieldrin will spray 32 acres if used when the grasshoppers are young. The cost per gallon is the same.

The following wait periods are required before using treated hay or pasture. Aldrin 2 weeks; Dieldrin one month, and material treated with Dieldrin cannot be fed to milking cows at any time, regardless of time since treated.

Adding machine rolls always in stock at the Advocate office.

GARAGE SERVICE
Open on Sunday from 10 a.m. to 8 p.m., and until 8 p.m. each day this coming week.

Prog. Conservative Leader Announces Agricultural Policy

Cam Kirby, Leader of the Alberta Conservative Party, has proposed a new Farm Purchase Credit Act, which will boost the amount a farmer can borrow for general farm operations to \$25,000.

At a meeting in Claresholm last week, Mr. Kirby released a 12 point P.C. policy of agriculture which he termed an alternative to the Social Credit attitude of dis-interest and contempt.

Mr. Kirby urged repeal of the present Credit Act, and its replacement by new legislation lending up to \$25,000 to qualified farmers, repayable over 30 years. An interest rate of not more than one per cent over the province's borrowing rate would be charged, except with young, starting farmers, who would be charged four per cent.

This new legislation would reduce the "Cost-Price Squeeze" afflicting Alberta farmers. Mr. Kirby described it as a step in "vigorous action by the Conservative Party to reduce the unit cost of farming."

The Tory leader also pledged his party to "immediate and positive steps" to bring electric power to farms at a reasonable cost. He charged that present rural electrification costs in Alberta were intolerable, and suggested some provincial government help towards financing installation of electric power might prove necessary.

Dealing with agricultural education, Mr. Kirby promised to reopen the Fairview Agricultural School, and consider the establishment of an agricultural school in Southern Alberta. He also called for a modernized agricultural curriculum, and proposed a program of scholarships, bursaries and loans to farm young people to maintain enrollment at schools of agriculture. Vocational schools for adults would also be provided, giving instruction in cost accounting and farm management.

Other points in the P.C. agricultural policy includes an overhaul of government irrigation policy, government assistance to rural telephone associations, farm market research, a crop insurance program drawn up in co-operation with the Federal Government, press for unemployment insurance and provide workmen's compensation for farm workers, and compulsory testing for Bangs Disease and Tuberculosis in Alberta live stock, paid for by the province.

TO ESTABLISH POISON TREATMENT CENTRES

Emergency poison treatment centres will be established in all hospitals in Alberta this year by the Provincial Department of Public Health. In addition, two main poison information centres will be set up in Edmonton and Calgary.

A "card-index" listing some 2,500 household chemicals, patent medicines, and household drugs and their respective toxic ingredients, symptoms of poisoning, antidotes and methods of treatment will be placed in the province's 100 hospitals by June 1. The two information centres will have similar information on file but on a much broader basis with some 7,000 listings.

Alberta will be the only province in Canada where emergency information on poisons will be readily available in all hospitals. Other provinces have information facilities at major centres only.

The poison treatment program has been endorsed by the Alberta Medical Association, Alberta Pharmaceutical Association and Alberta Hospital Association. Work on the project has been underway for almost one year. A committee of experts representing various fields of medicine were responsible for compiling the card-index from detailed information supplied by the Federal Department of Health.

Army Cadets Parade For Annual Inspection

The annual inspection of the Vulcan Army Cadet Corps was held at the Armouries Friday afternoon of last week, with the inspecting officer being Lt. Edward Army of "A" Company, Calgary Highlanders, with which unit the Corps is affiliated. Other members of the inspecting party were Capt. Cunliffe of Calgary, Southern Alberta Cadet Training Officer; WO2 Noble of Calgary and S/Sgt. Leonard Hart of Vulcan, Chief Instructor of the Vulcan Cadet Corps. The Corps' sponsoring body, the Vulcan Branch Canadian Legion, was represented by Ted Howlett, chairman of the Legion's Cadet Committee.

Following the march past and inspection, demonstrations of various phases of training were given by the Cadets.

Various presentations were made, with the cup for the most efficient first year cadet being won by Cadet Chris Panter. The cup for the most efficient second year cadet was won by Cadet M. Wierenga and Cadet Sgt. R. H. Brinton was awarded the cup for the most efficient third year cadet.

Indoor range rifle shooting awards were also presented. High score in the unit was won by Cadet M. Glinther and Cadet Sgt. C. Nickerson won the first class shot award. Second class shot awards were presented to Cadet H. Brinton, Cadet Cpl. A. Earl, Cadet Sgt. R. H. Brinton and Cadet M. McCullough.

Carseland Resident Dies At Age 80

Sarah Jane Giles
A resident of Carseland for over 30 years, Mrs. Sarah Jane Giles died suddenly May 1, 1959, at the age of 80.

Born at Madisonville, Tenn., in 1879, she moved west with her family to Ritzville, Wash., and lived there until 1913. Married in 1897, she and her husband moved to Innisfail in 1913 and to Carseland in 1926. They 62nd wedding anniversary was celebrated last year.

Surviving are her husband, William Thomas Giles of Carseland; a brother, Will Rogers of Sunny-side, Wash.; five sons, Oscar of Innisfail, Thomas of Washington, Earl of Lees; Glesler of Vulcan, and Joe of the RCAF at Cold Lake; one daughter, Bertha at Blackie; 16 grandchildren and five great-grandchildren.

Interment was at Gladys Ridge cemetery, with Snodgrass Funeral Home in charge of arrangements.

Hope To Complete In Two Years

"Stage Construction" on Highway 24 Will Give Dust-free Route To Calgary

No. 24 highway will be a surfaced, dust-free road in two years, suitable for passenger car and light truck traffic, said Hon. Gordon Taylor, Minister of Highways, at a meeting in Mossleigh last week attended by about 150 persons.

Chairman of the meeting was Hon. Rev. Peter Dawson, MLA for Little Bow.

"Stage construction" will be used on this highway, said Mr. Taylor. This is an asphalt-bound gravel surfacing designed to give a smooth, dust-free road, although not as strong as the asphalt surfacing applied to main highways and No. 24 is one of several secondary highways slated for the experimental type of surfacing. The surfacing is not heavy enough to stand up under the heavy trailer-truck type of traffic, he said, but will eliminate the dust menace of straight gravel highways. It is planned to surface 24 Highway as far as the Carseland bridge this year and complete the road to its junction with No. 1 highway next year.

Hard-surfacing of Highway 23 from the Corner Store to the junction just east of High River will be of the standard type already applied on the balance of 23 highway and will stand up under heavy traffic. No. 24 highway will be banned to heavy trailer-truck traffic after the "stage construction" surfacing is commenced and this heavy traffic will be routed onto Highway 23, he said. Rebuilding of the remaining gravelled sections of 23 will start this year to prepare it for standard hard-surfacing.

Mr. Taylor said the "stage construction" type of surfacing would bring improvements to Alberta's secondary highways much sooner than they could otherwise be brought about. The lighter grade of surfacing is expected to cost about one-fifth as much as heavy base course construction, or between \$5,000 and \$10,000 per mile, depending on the length of gravel haul necessary.

The steps in applying the surfacing were outlined by Mr. Taylor. First, the present grade would be carefully prepared and put into top condition. Then 600 tons of 3/4-inch crushed gravel would be bladed onto each mile. It would then be sprayed with 1/2 gallon of asphalt to the square yard.

Next step would be extensive rolling and compressing, to make the surface moisture resistant.

Then another layer of 3/4-inch crushed gravel of similar thickness to the first would be applied and treated in the same manner.

The result would be a serviceable road, able to handle a reasonable (45,000 lb.) truck load limit and providing a smooth, dust-free route. When heavier-duty roadways become necessary or practical, the oil-bound surfacing would be used as a first stage — thus the name "stage construction."

Cottonwood Club

The Cotton Wood Good Deeds Club held their meeting at the home of Mary Ruark on May 14, with 16 members and three visitors present.

The final arrangements for the tea and bazaar to be held at the Red Cross School were completed. The club presented a gift of dishes to Pat Laycraft whose wedding is to take place in June.

Following the meeting a lovely lunch was served by the hostesses Konnie Watkins, Gergette Gings, Florence Jensen and Vickie McVine. Hazel Holoboff won the draw. The June meeting will be held at the home of Ethel Steiner.

Correction

In last week's report of the Liberal nomination meeting, the name of George McMorris of Queenstown was included in the list of names of the members of the Liberal constituency committee.

This was an error, and Mr. McMorris is not a member of that committee.

Snow, Rain, Low Temperatures

Snow and rain brought an average of an inch of moisture to the district on Sunday, Monday and Tuesday of this week and, although generally welcomed, it has brought all seeding operations to a halt. A week of warm, dry weather would see seeding pretty well completed in the country.

Temperatures on Monday were near the freezing mark (31 above in Calgary) and a sharp frost was expected Monday night, but the weather stayed cloudy and wet and frost damage was averted. The temperature on Monday set a record low for this time of the year. It was still unseasonably cool on Tuesday but at the time of writing Tuesday night skies were still cloudy with some light rain and there appeared to be no danger of frost.

Two District Girls Will Attend Farm Young People's W'k

Linda Arney of Arrowwood and Sylvia Reed of Shouldice, have been selected to attend Farm Young People's Week being held at the University of Alberta in Edmonton June 2-11. They are among 33 farm young people who are being sponsored by the Alberta Wheat Pool at this short course.

In the interests of furthering education training of farm youth, the Alberta Wheat Pool has sponsored a group of young people to this short course for 16 years. As well as paying transportation costs for the young people it sponsors, the Pool contributes \$15 towards the cost of room and board of each. The young people selected are nominated by local farm organizations.

This is the 41st year this popular short course, designed especially for farm youth, has been held at the University in Edmonton. This year the program has been modified to provide added appeal in this modern age. The young people will have a choice of elective classes in public speaking, chairmanship and parliamentary procedure, dramatics, co-operatives and credit unions and the use of audio-video equipment.

For boys, special elective classes will be held each afternoon on farm record keeping, soils, cereals and forage crops, beef production, farm buildings and equipment and swine production.

Girls attending will choose between the following subjects: home nursing, interior decorating, You and Your Home, and career opportunities.

The course is under the direction of the Department of Extension of the University of Alberta.

Ladies Auxiliary

The regular meeting of the Ladies' Auxiliary to the Canadian Legion was held Wednesday, May 20, in the Legion Hall. Mrs. G. Bell, the president was in the chair and conducted the meeting assisted by the secretary, Mrs. E. Jones.

Business was light and dealt with routine matters. Plans were discussed for holding a bake sale, in the Legion Hall, Saturday, May 30, commencing at 2 o'clock.

Mrs. C. L. Kuykendall was presented with her Past President's pin in appreciation of her services as president, last year. She very graciously thanked the members for the presentation.

At the conclusion of the business session lunch was served by a committee.

MEMBERS OF THE BRITISH BOY SCOUTS' Association can now learn the elements of skin diving at the first National Scout Underwater Training Camp at Buckmore Park, Rochester, Kent. The underwater school held its

first training session recently. In this picture J. C. Halligan, the training officer at the camp, is seen instructing Boy Scouts in the use of underwater swimming equipment in the pool.

The object of the course, which is open to Boy Scouts from troops all over the Home Counties of England, is to give the boys skilled instruction in a sport which is becoming increasingly popular.

Ontario's System Better?

We were somewhat surprised to read that the merit system for car drivers is credited with reducing fatal accidents in Ontario by 50 per cent, but apparently it works to reduce the number of accident-prone drivers on the highways, with apparently worthwhile results.

The record of infractions is kept right on the driver's license and as his infractions reach a certain number he is progressively issued a warning notice, called in to police office for an interview and then when he reaches the limit his license is suspended.

The idea was introduced once in the Alberta legislature but did not meet with the approval of the highways minister and was not adopted. The present Alberta scheme involves the keeping of a master record in Edmonton on each driver, a somewhat cumbersome scheme and more subject to error than the Ontario system. A very apparent weakness in the Alberta set-up is the relatively light fine (\$100) levied on people who still keep on driving and getting involved in accidents even though their driver's licenses have been suspended. Hardly a day passes without at least one such case being reported in the daily papers, proof that the penalty for this infraction is not nearly heavy enough.

The Ontario system, with its closer check on drivers and apparently much better results, could well be adopted in Alberta.

Use the Ash Tray

(Guest Editorial)

While driving on Highway 2 between Edmonton and Calgary one day this month, a young couple and their two children had an experience that could have had serious consequence—and all because of the thoughtlessness of another driver.

Apparently a careless smoker had thrown out a burning cigarette stub as he was passing the young couple's open truck, and the cigarette landed in a box of clothing in the truck and started a fire. Smelling the smoke, the young couple stopped as quickly as possible and were successful in extinguishing the blaze, but the husband was badly burned on one hand and over \$100 worth of clothing was lost. The fire was right next to the gas tank and the truck, and possibly their lives, could have been lost if the fire had not been discovered early.

Why are ash trays put in cars if they are not used? Look around you as you drive and you will see so many people tossing cigarette and cigar stubs out the car windows as they drive along, never thinking of what they are doing.

Could it have been YOU who started the fire in that truck? Did you put that cigarette or cigar in the ash tray or did you throw it away? Please think before you throw a cigarette or cigar stub out the car window. You may not suffer the consequences of the action, but our forests, wild life or an innocent person may.

SPRAY EARLY

Spray your crop before it reaches the four to five leaf stage and give it a chance to beat the weeds this year. Many tests have proved the merit of this practice, advises Alberta's Supervisor of Soil and Weed Control W. Lobay. A field of oats, sprayed in the three to four leaf stage for hemp nettle, yielded 79.5 bushels an acre compared with 53.5 bushels an acre for the untreated crop. Similar treatment used when oats were in the short blade did not improve the crop or affect the weeds.

Crops need moisture, plant food, light and air for strong healthy growth but the weeds are continually competing for these too. The greater the weed infestation the greater the competition and consequent damage to the crop. In addition to robbing the crop of its livelihood the weeds reduce the tillering. Thus the earlier they are removed the better start the crop will get.

Further information on chemicals, to be used for the different weeds and the rate of spray, will be found in the publication "Weed Control with Chemicals." It can be obtained from your field supervisor or district agriculturist.

ARROWWOOD

The Ladies' Aid Society of the Church of the Brethren held their annual Mother's Day tea in the church basement on Thursday afternoon. A Mother's Day program was presented and very much enjoyed by all, with Norma Oberholtzer, Nadine and Linda Arney and Lorene McDaniel being in charge. Following the program, a lovely lunch was served. Corsages were presented to Mrs. Pearl Cawley on being the oldest grandmother attending, Mrs. Ruby Beckner on being the youngest grandmother present, and Mrs. Frances Beagle on being the youngest mother present.

Visitors at the Percy McInenly home on Sunday were Mr. and Mrs. Joe Meehan and family of Forest Lawn, Mr. and Mrs. C. Heibert and family of Calgary and Mr. and Mrs. Jack MacBeth of Red Deer.

Mr. and Mrs. Verlyn Culp and Darryl were Majorville visitors on Sunday at the home of Mr. and Mrs. Fred Bertschy.

The local drive for funds for the Canadian Cancer Society proved very successful, with \$320 being the amount raised. Mrs. R. F. Williams is in charge of this drive here and would like to thank all those who donated and helped in making the drive such a success.

Mr. and Mrs. Melvin Magnuson and family of Armada were Sunday visitors at the home of Mr. and Mrs. Jack Ward.

Mr. and Mrs. A. Brown and family were Sunday visitors at the home of Mr. and Mrs. Ken Buxton of Gleichen.

4-H Grain Club

The Arrowwood 4-H Grain Club organized Jan. 15, with 15 members from both Mossleigh and Arrowwood is led by Dean Cofell of Arrowwood. Officers are as follows: President, Bill Hagedorn; vice-president, Bob Hurl; secretary, Tommy Williams; treasurer, Vic Gateman and club reporter, Elsie Leslie.

Since organizing, the club has had five meetings. Crests and posters have been ordered and a thematic display illustrating good and poor farming methods has been planned and started.

The most recent meeting was held at the Campbell residence on May 11. It was highlighted by an interesting debate featuring Janet Leslie, Barrie Campbell and Frank Hagedorn, affirmative, and John Campbell, Vic Gateman and Allan Hurl, negative, arguing the question, "Does a Farmer need more than a Grade 12 Education?" The judges, Mr. and Mrs. Campbell, Roy Leslie and Dean Cofell decided the affirmative the winner. Lunch was served.

Miss Olive Hamilton and Jim Cotton of Calgary were Sunday visitors at the Howard Spaeth home.

Little Melvin Tompkins spent Wednesday and Thursday at the Merle Smith home.

David Clark attended the graduation in Vulcan last Friday.

Good Deeds W.I.

Mrs. Allan Wylie of the Good Deeds W.I. was hostess for 13 members and three visitors at the May meeting. Roll call was answered with an exchange of plants and shrubs. Committee reports consisted of a report by Mrs. Bob Hutton

on the wheel chair that was purchased by magazine subscriptions. A thank you letter was read from Mrs. Ottewill for being the first one to have use of the chair. The cancer canvass convener reported that \$130.25 was realized in this district.

Mrs. McMasters who was originally picked as delegate to the Edmonton convention is going as constituency convener. Mrs. Montgomery agreed to go as the Good Deeds representative. The resolutions were read and discussed.

Mrs. C. Brown, agriculture convener, read a paper on the first farmer in Canada who tilled his plot of ground over three hundred years ago. Gardening hints and an article on a number of new perennials. This was well received by the members.

Mrs. J. White who was a recent winner on a TV show for helpful hints, was a special guest who gave a number of hints. This was greatly appreciated by those present.

A lovely lunch was served by the hostess, assisted by Mrs. G. Dingwall and Mrs. C. Brown. The tea raffle was won by Mrs. Bob Hutton. The next meeting will be held at the home of Mrs. G. Sandberg.

Mrs. Lena Brown, Mrs. Alicia Lyman and Mrs. Ethel Duckmanton were Calgary visitors Saturday. Mrs. Duckmanton remained in Calgary to go under observations in the Holy Cross Hospital.

Mrs. Margaret Fisher of Lethbridge visited at the home of her son and daughter-in-law, Mr. and Mrs. Jack Fisher Monday of last week.

Misses Rae and Grace Dingwall and Mrs. Geo. Dingwall, attended the wedding reception of Donna Deitz in the High River Centre Saturday evening.

Mr. and Mrs. Dick Hunter and family of Parkland were Sunday visitors at the Doug Galbraith residence.

LOMOND

Mrs. Guido Zambaldi spent several days in Lethbridge last week.

Merl Pearson who is attending Tech at Calgary, taking a welding course, spent last weekend at his home in Lomond.

Mrs. Joan Hart and family, accompanied by Mrs. Anne Ruppert and Mrs. Bernice Dyck were visitors in Lethbridge on Saturday of last week.

Mr. and Mrs. Henry Huff and family were visitors in Lethbridge on Saturday of last week.

Mr. and Mrs. Frank Nichol of Calgary were in Lomond on Friday to attend the funeral service for the late J. R. McKay.

Mr. and Mrs. Martin Maronda and family were Lethbridge visitors on Saturday of last week.

Pete Ruppert was a business visitor in Lethbridge on Wednesday of last week.

Mrs. Minerva Hammer and daughter Selma of Champlain were visitors in Lomond on Sunday of last week.

Mrs. Ed Rainey was a weekend visitor in Edmonton to attend a relative's wedding.

Mr. and Mrs. Ernie Donagley left on a motor trip to New Westminster, B.C., for a holiday visiting relatives.

Deepest sympathy of the many many friends in Lomond and district is extended to the entire McKay family on word of the death of their beloved father, the late John R. McKay.

Recent visitors to Montana for Canadian Day were Mr. and Mrs. Oliver Hart, Mr. and Mrs. Bill Tolley, Mr. and Mrs. Alec Dodds and LeRoy Hendrickson.

Mr. and Mrs. Pete Ruppert and family accompanied by Helen Mercler were Lethbridge visitors on Thursday of last week.

Mrs. Allan Lindsay and Mrs. Harold Koch were in Lethbridge on Saturday with a number of their former 4-H Girls to attend the band festival.

Mr. and Mrs. Gib Honess and

family were Lethbridge visitors on Saturday of last week.

Mr. and Mrs. Jake Dyck and family, accompanied by Johnnie Morgan, motored to Lunenburg Falls last Sunday to do a bit of fishing.

Congratulations are extended to the Lomond Ball Team for the excellent games they played on Monday, May 18, at Champion and taking first money in the tournament. Just goes to show it couldn't have been all luck they brought home the trophy last year.

The Lomond Regals Baseball Team were the victors over the Vulcan Elks in their first league game at Lomond on Sunday afternoon, May 24. Though a few might wonder by the score (18-12) whether it might not be a basketball or football game. Anyway Lomond won, that's what we want. Keep it up boys.

JOHN McKay

Funeral services were held Friday for a very well known resident of Lomond and district, John McKay, who passed away on Tuesday, May 19, in Calgary at the age of 79 years. Born in Embro, Ont., June 6, 1879, Mr. McKay was predeceased by his wife at Lomond in 1948.

Surviving are five daughters, Mrs. Angus (Jean) Cook of Vancouver B.C., Mrs. R. C. (Bella) Cummings of Calgary, Mrs. R. (Elsie) Horberger of Shelby, Mont., Mrs. Harold (Catherine) Kimball of Edmonton, and Mrs. Earl (Hazel) Williamson of Bow City; two sons, Mack of Lomond and J. Ross McKay of Bow City. There are 17 grandchildren.

Mr. McKay came to Alberta in 1907 and homesteaded in the Lomond district in 1910, where he farmed until his retirement about 10 years ago. He continued to make his home on his farm in Lomond until 1957 when due to his illness he moved to Bow City to be with his son and daughter. He was a member of the Order of Oddfellows, a staunch Wheat Pool member and was affiliated with

the Canadian National Institute for the Blind.

Funeral services were held Friday, May 22, at 2 p.m., in the Lomond Community Hall with Miss Jean Nottle (of the United Church of Canada) officiating. Pall bearers were Fred Maronda, Jack West, Earl Helland, Ray Elliott, Carl Ost and Floyd Sande. Interment was made in the Lomond Cemetery under the direction of Smith Funeral Home from Brooks. The many beautiful floral tributes showed the very high esteem in which the deceased was held.

Community Club

The May meeting of the Lomond Community Club was held at the home of Mrs. Leonard Huff on Thursday afternoon, May 7. There were 13 members and three visitors present. Roll call was answered with an apron donation. Minutes of the previous meeting were read and approved. Correspondence was read and the treasurer's report given.

A float for the sports day parade was discussed and suggestions were asked for to be presented at the next meeting. The business meeting was then adjourned. The nickle draw was held and won by Mrs. Helen Walker, followed by the regular auction sale.

The rest of the afternoon was spent playing cards. Winning low prize was Mrs. M. Ost, Sr., and high prize was won by Mrs. E. Elliott. The next meeting will be held at the home of Mrs. Leona Ost on Thursday afternoon, June 4. Roll call, "a penny for each year married." On lunch will be Mrs. Helen West, Mrs. Esther Koch, Mrs. Charlotte West and Mrs. Ethel Bolduc.

A very lovely lunch was then served by the hostess and her assistants to bring a pleasant afternoon to a close.

Bethany Lutheran W.M.F.

The May meeting was held at the home of Mrs. F. Walker with 11 members and two visitors present. Pastor Foster gave the devotional, also led in prayer, after which the reports of the secretary and treasurer were disposed of in order and adopted as read.

The correspondent consisted of a long letter from our former pastor and Mrs. Walter Evansen, now of Tanganyika, Africa. They have one more year to serve and are looking forward to their furlough of one year to return to Canada once more. The ladies of the club sponsored the Lions supper of May 19. Six members attended the WMF convention at Medicine Hat on May 16. They were Mrs. N. D. Foster, Mrs. A. Johnson, Mrs. I. Magnusen, Mrs. Lena Huff, Mrs. F. Walker and Mrs. O. T. Sande. Mrs. A. Johnson gave an interesting report from the convention.

Two delegates were chosen to go to the Canada District Convention to be held at Moose Jaw, July 21. This is the last convention as an Evangelical Lutheran Church and the WMF celebrates forty years since it was officially organized in 1919. In 1960 all Evangelical Lutheran Churches will be merged and our WMF will perhaps have a new name and under a new church, though still Lutheran.

The meeting was closed with a hymn and the "Lord's Prayer" in unison. The next meeting will be held at the home of Mrs. O. T. Sande on June 17.

While lunch was being prepared, the sewing committee brought out a number of articles of sewing and fancy work to sell. A number of articles were sold, which all helps to further our work. Many thanks to those who donated a number of articles. They are very much appreciated. A lovely lunch was then served by the hostess and her assistants. Mrs. K. Elliott and Mrs. P. Ost, Sr., were on the lunch committee.

Almost anything goes into this one...

especially fine quality!

The Vauxhall Estate Wagon is a wonderful vehicle... because it carries so much more for so little and looks so good doing it! And the rear seat folds flat to give you even more loading space. Pile in your luggage... Vauxhall just keeps stowing it away. There's wonderful quality here too... you can see it in the classic, straight-through lines... you can feel it in the way the Victor handles. Vauxhall has the important knack of combining a fine-car styling with superb engineering. See the Victor Estate Wagon at your local Vauxhall dealers — soon!

Champion

Friends of Mr. and Mrs. R. Maronda called on Thursday to offer congratulations on their 61st anniversary. This well respected couple are in reasonably good health and enjoyed the afternoon and evening chatting with friends.

Mrs. A. C. Little of Calgary is visiting at the home of her son and daughter-in-law, Mr. and Mrs. Francis Little.

Lloyd LaFontaine won the baby beef on the Canadian Legion Draw at Champion on Monday evening. Mrs. Alex Fraser was the holder of the lucky ticket for the second prize in the draw, which was a market pig.

The Water Ski Club also held a raffle that same night and Gordon Petronech and Mrs. Elwood Granlin were the lucky ticket holders.

Mr. and Mrs. Lawrence Polesfoot and family of Edmonton were visitors for several days at the home of Mrs. Polesfoot's parents, Mr. and Mrs. Lorne Lucas.

On Tuesday, May 19, the Mia Maid Class of the MIA of the Champion Branch of the Church of Jesus Christ of Latterday Saints met with their parents and leaders in the "Rose Tying Ceremony." Each girl presented a beautiful rose which she had chosen and purchased to the rose bouquet with fitting words of appreciation for the symbolism of the rose in her life. The bouquet was then tied by the Mia Maid Leader, Mrs. Emma Smith. Mrs. J. V. Johanson of Lethbridge was the special guest speaker for this lovely event. As a fitting conclusion of the year's work a rose bush was presented and planted by the girls assisted by Fred Puzey, branch president, who expressed the appreciation of the branch to the girls for their fine record and thoughtfulness. Mrs. Georgia Fooks encouraged the girls to live true to the ideals of their symbol, "The Rose." Attending the evening from Lethbridge were 18 members of the Stake Board who attended their individual departments and gave inspirational advice and encouragement to the Mutual Workers here.

Mrs. T. P. Carlson is attending the United Church Conference in Medicine Hat this week, which commenced on Wednesday.

Miss Anne Herbig was a weekend visitor in Lunbreck.

Miss Nakutsu accompanied Mr. and Mrs. A. Versluis and Peter to

Turner Valley on Sunday.

Mrs. Frank Little attended the CGIT Mother and Daughter Banquet in Lethbridge on Tuesday evening. Miss Marjorie Little is the leader of the group.

Mr. and Mrs. Robert Brown and family of Edmonton were recent visitors at the homes of relatives in town and district.

Bill Rhodes of Strathmore was a visitor for several days at the home of Mr. and Mrs. Clarence Rhodes.

Wm. Martin left by train Friday evening to meet his family in Edmonton. Mrs. Martin travelled by car from Dawson Creek, B.C., to Edmonton.

Mr. and Mrs. Harry Taylor and family of Fort Macleod were weekend visitors with relatives in the town and district.

A very interesting and informative Speech Class was held this week under the direction of the Mutual Improvement Association of the LDS Church. Arvilla Pitcher, speech director of the Champion branch made arrangements to have Miss Carma Paxman give a series of lessons on the art of speech. This course is based on the book, "You Too Can Speak" by Royal Garff and is proving very worth while. A large group attended the first lesson this week.

Residents of Champion and community are invited to drive around by the cemetery and observe progress that has been made to date in cleaning up the grounds and levelling graves. Your assistance is solicited in furthering this project. If you are unable to lend your labor to help, perhaps you could contribute financially.

The CGIT Banquet was held in the Parlors of the United Church on Thursday evening. Thirty mothers and daughters were present. The tables were suitably and beautifully decorated, with the Evening Group of the WA catering. Judy Christensen entertained with an accordion solo, and everyone joined in the sing-song. Mrs. Frank Little spoke to the group and chose as her subject, "This is CGIT." Miss Jean Befus showed a film strip entitled, "Know Your Neighbor." Each mother was presented with a carnation corsage.

Friends will be sorry to hear that Gordon Urquhart is a patient in the Calgary General Hospital. Mr. Urquhart was a patient in the Vulcan Hospital for several

days before being moved to Calgary on Monday, May 18.

Mr. and Mrs. Morris Kuziw, Bob Kuziw and Mr. and Mrs. Dale Versluis were Sunday visitors at the home of Mr. and Mrs. Peter Trach.

F/C James Albert Anderson of RCAF Station, Moose Jaw, Sask., spent the long weekend at his home.

Mrs. Hannah Puzey and Da Veeda motored to Calgary last weekend to attend the concert presented by the Mount Royal Symphony Orchestra of which Sheila Puzey is pianist. While in Calgary they attended a recital of the students of Leonard Leacock on Saturday at which Sheila played two Scarlatti Sonatinas.

Mrs. C. J. Versluis accompanied by her daughter, Francis, have returned home from a holiday spent at the West Coast.

Mr. and Mrs. Gordon Davey and Mr. and Mrs. Art Ulrich attended the race meet in Calgary's Victoria Park on Saturday of last week.

Jimmie Rupp returned to school on Monday of this week after undergoing surgery for appendicitis.

Miss Gloria Fraser and Mrs. Margaret Sanderson of Calgary were weekend visitors at the Sanderson farm.

Mrs. Percy Gatenby accompanied Mr. and Mrs. Ken Gatenby of Vulcan to Staveland where they visited with Mrs. Gatenby's older son and his family, Mr. and Mrs. Bill Gatenby.

Mr. and Mrs. Bill Knight of Edmonton were weekend visitors at the home of Mr. Knight's brother and sister-in-law, Mr. and Mrs. Tom Knight.

Women's Institute

The May meeting of the WI was held at the home of Mrs. Peter Trach with 12 members and one visitor attending. Several members reported receiving WI stamps. Further arrangements for the conference to be held in Champion in June were made. Roll call was answered by each member contributing a jar of jelly for the Carman Hospital.

The Sunshine convener reported sending six cards. Mrs. Frank Little was appointed delegate to attend the conference. Mrs. Schultz and Mrs. Harper contributed to the birthday box. Mrs. Ella Sisson read a very interesting paper on handicraft. Mrs. May Chamberlin entertained the ladies with a comic reading.

The raffle was won by Mrs. C. G. Miller and Mrs. Trach assisted by Mrs. H. Gyorffy served a delicious lunch.

Babe Ruth Baseball

Last Tuesday, May 19, the Carmangay Babe Ruthers were hosts to the local team. Both teams played a good game, as the 9-5 score in favor of Champion will indicate. The teams are beginning to round themselves into good condition for the remainder of the campaign, so we don't think anyone would be disappointed in the brand of ball being displayed by these local youngsters. The team appreciates fully the support being given them and only wish that there were more fans turn out to witness their performances on the diamond.

Pitching for Champion in the above game were Degenstein, who started and went 5 1/2 innings before tiring and Ohlweiler, who went in with two out in the 6th inning. Housenga went all the way for the losers, taking the loss. The win was racked up by Degenstein. Despite his loss, Housenga whiffed no less than nine Champion batters. The local hurlers picked up three strikeouts each.

In the hitting department it was Schneider, Ohlweiler, Vaage, Jordan and Keenan collecting safe blows for the winners. For Carmangay, Hausor, Plourd and R. Row were the only players able to solve the pitching of the two local pitchers, each connecting for one hit.

On Friday, May 22, the locals travelled to Barons to take on the Barons Babe Ruth representatives. They came home on the long end of an 11-4 score. It was the fourth straight triumph for Champion under the guidance of new coach, Fred Cartwright. Once again the pitching held up well, as they limited Barons to just three safeties.

The team is beginning to work two Little League graduates into the picture. They are Terry Rhodes, shortstop and Allan Fontana, second base. To date, Rhodes is fitting into the team's plans very nicely, and already has earned himself two starting assignments at short. Fontana has just begun to play a little more, and with a little more time and experience, will become a regular. The team is going with 12 players, three under the limit. There were only two Little League graduates that turned out to play for the team. It is not too hard on the team at present, but later on the shortage will be very noticeable.

For Champion, Vaage started on the mound, but was relieved in the 4th inning by Schneider. For

Barons, it was Sherwood who started, but he too was relieved, this time by Allen. Vaage picked up the win, the first of the season for the southpaw, while Sherwood absorbed the loss. Altogether, Champion pitchers sent 10 Barons down via the strikeout route, while seven Champion hitters followed the same trail.

In the hitting for Champion it was Bjornson, Vaage, Jordan, Staehr and Keenan who collected the eight Champion safeties. For Barons, it was Sherwood, Forsman and Smith who collected the three Barons hits.

Champion 11 8 3
Barons 4 3 5

A 9-point Program for Prosperity in Agriculture

1. FARM CREDIT

Repeal the Farm Purchase Credit Act and replace it with a credit act that will loan up to \$25,000 on land, buildings, equipment, etc., at an interest rate of not more than 1% over the province's borrowing rate.

2. RURAL TELEPHONES

Establish a uniform policy with respect to telephones under which all citizens, rural and urban, receive equitable treatment. Extend assistance and leadership to rural telephone associations and move to improve telephone service throughout Alberta.

3. LIVESTOCK

Compulsory Bang's testing will be paid for from the provincial treasury; an intensified program of research into animal diseases; the setting up of a committee for the purpose of grading breeding bulls before being offered for sale.

4. FARM LABOR

Encourage able people to continue as workers in Agriculture by advocating unemployment insurance and workmen's compensation for farm workers. To set up a government agency to assist farmers in finding competent hired help.

5. MACHINERY REPAIRS

The law directing the vendors of farm machinery to stock repairs for a period of ten years should be enforced.

6. AGRICULTURAL EDUCATION

Modernize curriculums; re-open the Fairview Agricultural School; establish an agricultural school in Southern Alberta; establish vocational schools for adult farmers; provide instruction in farm management and cost accounting; provide special scholarships, bursaries and loans to farm young people.

7. IRRIGATION

Endorse the recommendations of the report of the Irrigation Study Committee so that irrigation would be of benefit to the maximum number of farmers it was designed to help.

8. RURAL INDUSTRIALIZATION

Set up processing plants to further special crop production.

9. FARMERS ON BOARDS AND COMMISSIONS

Since farmers are competent to direct their own industry, a farmer representative would be appointed to all boards and commissions that are named to deal with matters directly affecting the farming industry.

QUEENSTOWN

Mrs. M. Bojes, Mrs. M. T. Edwards, Mrs. W. McCallum and Mrs. Don McCord attended the Home and School meeting and bazaar sale at Milo last Wednesday.

Sympathy is extended to relatives and friends of the late L. H. Phillips who passed away in Calgary on Saturday, May 23.

The United Church Sunday School held their annual picnic on Friday of last week with 41 in attendance. The evening began with Bill Fraser, student minister, giving the Grace with the teachers and students gathered around a camp fire, which was followed by wieners and marshmallow roast and ice cream cones. Later various races were held with prizes for all. At the completion of the races, Mr. Fraser with a number of students enjoyed a game of ball. Some of the teachers scurried off home as they were attending a bridal shower in Milo in honor of Carol Peterson, June bride-elect. Sunday School classes will continue until the end of June and then will hold holidays for the months of July and August.

A fair crowd attended the Community Hall dance at Queenstown on Friday of last week. Dances through the summer will be held on the regular night.

A five bushel wheat quota became effective at this point on Monday, May 25.

Friends of Sam Galley will be interested to know that he returned from the Vulcan Hospital last week.

The regular meeting of the Women's Institute will be held at Mrs. O. Ladd's on June 1. The women had a quilting bee last week and finished quilting the

quilt which they will enter in the W.I. Conference Handicraft.

Mrs. McLaughlin who has been staying at the home of Mr. and Mrs. Ken Knight returned home on Sunday.

Randy Robertson was a weekend guest of Leonard McCord.

Congratulations go out to Mr. and Mrs. Leigh Robertson who are the proud parents of a daughter.

Rain and snow covered the district last weekend and Monday with approximately .65 inches of moisture reported by the A.P. Grain Elevator gauge.

Dawna Mae McCord was admitted to the Vulcan Hospital on Tuesday to undergo teeth extractions.

Betty Ladd was a weekend guest of Wendy McMorris.

ENSIGN

Mrs. Turley of Calgary spent a few days last week with her son and family, Mr. and Mrs. Bill Turley. She returned to her home on Saturday.

Terry Howlett, suffered a very severe cut to his leg, last week when he fell on a broken bottle. He spent a couple of days in the local hospital, where he required a number of stitches.

Mrs. B. Brown is a patient in the Calgary General Hospital where she is undergoing medical attention. Friends hope to see her home soon.

Mr. and Mrs. C. Vian of Calgary were visitors at the Bill Turley home on Sunday.

Mr. and Mrs. A. McIntyre were weekend visitors to Calgary where they visited with Archie's aunt, Mrs. Nellie McDonald, who is a patient in the hospital there.

B. Brown motored to Calgary

on Monday to visit Mrs. Brown, who is in hospital there.

Mr. and Mrs. Bert Larsen and Fay were Calgary visitors on Monday where Mrs. Larsen attended an Avon celebration meeting at the Palliser Hotel.

The ladies of the Country Birthday Club met at the home of Mrs. B. Brown on Friday evening to help her celebrate her birthday. A contest was held and won by Mrs. A. Hagen. A dainty lunch was then served by the hostess, Mrs. Brown.

KIRKCALDY

Miss Ethel Lewis of Ardenode, Alta., visited recently at the home of her brother, Spencer Lewis, returning to her home on Tuesday of last week.

Mr. and Mrs. Donald MacKay attended the United Grain Growers' convention in Calgary recently. Miss Mary-Jo Lynch returned home with them to spend the holiday weekend with her brother-in-law and sister.

Mrs. Agnes Clarke returned to her home at Woodrow, Sask., after visiting at the home of her daughter, Mrs. Morley Scobie for the past two months.

Mrs. Joe Tompke of Rockyford, Alta., is a visitor at the home of her sister, Mrs. Bob Middleton. On Tuesday Mrs. Tompke and Mrs. Middleton motored to Shelby, Mont., to meet their sister-in-law, Mrs. Lillian Rannels of West Palm Beach, Florida, who will visit relatives in the district.

Mrs. Kelvin Carnegie and Mrs. Lillian Brinton motored to Calgary on Sunday.

Mr. and Mrs. Bob Middleton and family attended the funeral of the former's nephew, Boyd McLean at Nanton on Wednesday of last week. Sympathy of the district is extended to the Middleton family on their recent bereavement.

Friends of Gordon Urquhart are sorry to learn that he is a patient in the General Hospital in Calgary.

Starting New Lawn

A well prepared seed bed and a wise choice of grass are two of the more important aspects to consider when starting a new lawn. The growth and maintenance of a good lawn requires knowledge and care, says P. D. McCalla, Supervisor of Horticulture for the Alberta Department of Agriculture.

There should be at least four inches of good top soil after the seed bed has been rolled. When more than one variety of grass is to be sown they should be thoroughly mixed, divided into two equal parts and broadcast from north to south and east to west across the seed bed. A light raking in one direction only is all that is necessary after this. However, rolling the seed bed lightly will encourage more uniform and rapid germination.

A newly sown lawn must be watered until the moisture has penetrated to at least two inches but be careful not to wash out the seed or leave the water lying on the surface. In extremely hot and dry weather burlap laid over the newly seeded lawn will help the germination but it must be removed as soon as the seed begins to sprout.

If the lawn is to be in a sunny location where water is available three pounds of Creeping Red Fescue with one pound of Kentucky Blue Grass, sown at four pounds per 1,000 square feet is a satisfactory mixture. If water is not available five pounds of Crested Wheat Grass with one pound of Kentucky Blue Grass, sown at a rate of six pounds per 1,000 square feet produces better results. In a shady place six pounds of Creeping Red Fescue per 1,000 square feet is recommended whether or not water is available.

Further information on lawns and lawn mixtures may be obtained from the pamphlet "Lawn Building and Maintenance" issued by the Extension Service of the Alberta Department of Agriculture, Edmonton.

No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car.

BEST ROOM

Official figures on all car dimensions make this clear. For example, Chevy front seat hiproom is unsurpassed... almost six inches wider than one of its competitors.

BEST ENGINE

Every motor magazine has given Chevy's V8's unstinted praise. As SPORTS CAR ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

BEST RIDE

You'll be able to tell this yourself, instantly. But MOTOR TREND magazine expresses it this way: "... the smoothest, most quiet, softest riding car in its price class."

PLUS THESE TREMENDOUS TRIFLES

Who'd want to do without Chevrolet's extra luxuries? Like the protection of full wraparound bumpers, crank-operated ventpanes, the convenience of single-key locking, a real overhead curved windshield, oil-bushed hydraulic valve lifters in every standard engine for quieter running, a bigger luggage compartment with full side-wall lining.

No wonder more people are buying Chevrolets than any other car!

The Pondering Citizen

The Pondering Citizen sat in his car outside the movie theatre. He was waiting for the picture to end, and his family to get back to the car. He had spent most of the evening in the coffee shop with his cronies. He sat, pondering the discussion of the past while.

"Almost got more than I bargained for tonight. Asked Charlie about the election and did he get hot! When we got on the Five Year Plan he was burning. Said it was good, but about five years late. Bud called it 'the grand fiasco.' He said it begins to get at some of our problems, but only begins. It doesn't go far enough. He said that there was no provision for better schools, for better teacher training, or even a better curriculum at the present schools.

"Well, I guess Bud is right in a way, but the Five Year Plan is for other things like hospitals and old folks homes. When I made mention of that, Charlie really got hostile. He pulled out the Advocate and showed me that place about the chronic hospital we aren't getting. Sure guess Champion and Vulcan are unhappy about now.

"Well that sure brought the talk around to hospitals. I never knew that things were changing so much since the province took over hospitalization. Used to be three mills, and we ran the hospital okay on that. Now the province takes the three and needs another one. The county has to have one more mill too, just to make ends meet. Five mills in place of three! Well, it must cost something to administer the fund, but costs haven't gone up that much. Boy, two-thirds more tax for the same thing in only six months time.

"Then Jim chimed in with the problems of municipal finances. With all this talk of provincial debt being so low, I never realized that the municipalities were having so rough a time. Jim said if they used a bit of the Five Year money for municipalities, it might make more sense. We pay high interest rates and go in the hole, while Edmonton brags about their 'good housekeeping.' You'd think they could play 'share the wealth' a little differently, and give the towns and municipalities a break.

"Still, it's always 'the Government' that does all this. It would seem that a guy like me has no say anyway. I could almost get interested in politics if I had any say in the matter."

The car door slammed. The Pondering Citizen was engulfed by his noisy family. It was a good picture and now they wanted to get home to bed—the end of a perfect day. "Well maybe not so perfect," thought the Pondering Citizen as he put the car in gear.

Inserted and paid for by M. D. Bruser as a private citizen.

District News

EASTWAY

Mrs. Edith Willard accompanied by Mrs. Mable Gooch drove to Standard and visited at the Pete Stankwerth home on Sunday.

Mr. and Mrs. Felmer Erickstad of North Dakota visited at the Vic Rushfeldt home on Saturday en route to Alaska.

Mr. and Mrs. Brian Todd were Sunday visitors at the Bill Cock-will home.

Carol King of Arrowwood was a weekend guest of Beverly Campbell.

Marge and Jack Holoboff spent the weekend in Calgary.

BERRYWATER

Guests this week at the Lorne Healy home are Mr. and Mrs. George Miller of Calgary, and Miss Josephine Bagnall of Toronto, who has been visiting her mother and sisters in Calgary.

SHOULDICE

Helen Leadbeater was visiting her parents, Mr. and Mrs. W. F. Leadbeater on Sunday.

Mr. and Mrs. Alvin Tario and family were guests of Mr. and Mrs. Vic Brown on Wednesday.

Mr. and Mrs. Slim Sanders went to Calgary to attend an agents' meeting on Wednesday.

W. F. Leadbeater came home from the Vulcan Hospital on Monday.

Baseball fever has struck Shouldice and all interested parties should attend practices on Tuesday and Thursday evening and Sunday afternoon.

Mr. and Mrs. Allen George and family went to Edmonton to an Indian Affairs Employee Association over the weekend.

Improvements are being made on the roads around Shouldice. The construction camp site is located beside the CPR station.

MAJORVILLE

Sunday dinner guests at the home of Mr. and Mrs. Fred Bert-sch were Mr. and Mrs. Verlyn Culp, Mr. and Mrs. Ralph Oberholzer of Arrowwood, John Anderson of High River, Fred's brother-in-law and Keith Miller of Red Deer.

We add our congratulations to Mr. and Mrs. Bob Deitz on the birth of a son in Vulcan Hospital on May 13.

Mrs. George Heather was in Calgary for a couple of days during the week for a medical check up.

Honoring Marie Klemme whose marriage to Ken Sealock of Armada is an event of the near future, Jo Anne Heather was hostess for a shower at the home of her parents on Monday afternoon, when a large number of neighbors and friends were on hand for the occasion. Jo Anne made the presentation of the many useful and lovely gifts together with best wishes for the future.

Irene Klemme, Marie's sister; Mrs. George Klemme, her step-mother, and Ken's mother, Mrs. Sealock of Armada, assisted with the opening of the gifts after which Marie thanked the guests for the gifts and the shower. Several neighbors assisted Jo Anne in serving a lovely lunch.

Mrs. Mary Hourie of Calgary has been visiting with her sister, Mrs. Nellie Burke, for the past week.

Mr. and Mrs. Bert Clemmons and family visited with Mr. and Mrs. Douglas Fraser of Hussar on Sunday.

Mr. and Mrs. Cliff Clarke of Calgary visited friends in the district on Saturday. Cliff has spent several weekends recently constructing a small house on his farm, so that he may in future spend weekends in comfort nosing around the old homestead.

Last Sunday morning Mrs. Bert-sch had a pleasant surprise when her brother, Elmer Pearson, phoned from Hillsdale, Mich. She reports the call came in much clearer than a lot of local calls.

Mrs. Francis received word from relatives in Niagara Falls of the death of her uncle, John Baer. Intruders were believed to have caused the death of the 89 year old fellow by breaking into his home and binding him hand and foot. Robbery appears to have been the motive as a trunk supposed to have held some money was missing. As he did not show signs of having been beaten it is thought he died from the rough handling when he was tied and bound. Mr. Baer was a bachelor and lived alone.

John Bartsch was a visitor to Edmonton for a few days during the week.

Seeding of grain is now pretty well completed and some farmers have already seeded flax, others are waiting for wild oats to start before sowing flax. Although nearing the end of May the temperature has not been too seasonable and it freezes almost every night.

Some early sown grain is showing green so there must be moisture enough to germinate the seed. Showers during the week were

light and spotty.

Mr. and Mrs. Roy Hostetler of Lomond were Sunday visitors at the home of Mr. and Mrs. Alf Heather.

Mrs. Bartach, Patsy and Allin were visitors on Sunday at the home of Mrs. Bartach's brother and sister-in-law, Mr. and Mrs. Donald Campbell of Elnora.

Calgary visitors this week were Mrs. Ray Wellman and Mrs. Bob Scott.

Wesley Garlock and Brian Bittorf attended the Stampede at Bassano last Monday.

Murray Phillips motored to Calgary on Wednesday.

Mr. and Mrs. Kenneth Stumpf and boys attended the baseball games at Champion last Monday.

Congratulations are extended to Mr. and Mrs. Bob Deitz on the birth of a son in the Vulcan hospital.

Mrs. Berryman and daughter, Lila of Edmonton spent a few days at the home of her son-in-law and daughter, Mr. and Mrs. Chester Anderson.

Mr. and Mrs. Chester Thompson and Marilyn motored to Calgary last Saturday.

Last Sunday visitors at the C. J. Anderson home were Mr. Ferngren of Vulcan and Mrs. Chester Anderson, Mrs. Berryman and Lila.

Vern Maldanor of Vulcan spent last weekend at the Chester Thompson home.

Elaine Peterson and Sheila McCord attended graduation exercises at the Vulcan high school Friday evening, spending the weekend with a friend.

Brenda Holladay accompanied by Mrs. Marj Hellevang and daughters spent the weekend at Magrath.

Friends of J. R. Goldthorpe will be sorry to hear he is a patient in the Vulcan hospital. A speedy recovery is extended to him.

Deepest sympathy is extended to the Phillips families in the passing of the late L. H. Phillips in Calgary on Saturday morning.

Alma Turlock and son, Danny of Calgary were Sunday guests at the George Vennisland home.

Roy Haggins motored to High River on Sunday.

The shower which was held for Carol Peterson on Friday evening was very well attended. Mrs. Muriel McCord presented Carol with many lovely and useful gifts.

Carolyn Hayes of Arrowwood was a Sunday visitor at the Phillips' home.

Ralph and Helen Auestad motored to Circle Hill on Sunday.

Dr. and Mrs. W. C. Anderson and family of Calgary spent the weekend at the Mel Schaub home.

The Milo district would like to welcome the new student minister, Bill Fraser.

Mr. and Mrs. Frank Soder, Mr. and Mrs. Norman Soder and family of Vulcan were Sunday visitors at the Will Bittorf home.

ABOUT 4-H

Summer is the season when 4-H Beef Feeding Clubs wind up the year's activities with a bang. Achievement Days, in the form of shows and sales, will be taking place all over Alberta. This function is a high light in many communities. The club members spend many hours grooming and fitting their animals. The members themselves are dressed in their club colors. This combination of polished calves and well appointed members makes for a pleasing sight, when the youngsters present their calves to the judge, and to the public in the show ring on the big day. One of the big days this year will be at Claresholm on June 6, at this time the Claresholm, Fort Macleod and Staveland - Parkland Clubs will hold their achievement day jointly, starting at 10:00 a.m. in the arena.

June 20, is the day for Vulcan County. The clubs of Vulcan West-Ensign, Berrywater and Arrowwood will congregate at Vulcan for the big event, kicking off at 9:00 a.m. The Nanton club will have their show at the High River Achievement Day on June 12, at 9:00 a.m.

On these days the club members, club leaders, parents and the public will see the fruits of eight months of effort and care. The calves will be judged for finish, conformation and many other qualities. The members are judged for their ability in showmanship. Prizes and ribbons are given out to the winners.

After the show comes the sale. All animals are sold by public auction. Buyers from the large packing houses and food stores annually make the circuit of 4-H sales, buying the choice beef, often at premium prices. Local stores and individuals too, pay handsomely in support of their district clubs. It is a good time to re-stock the home freezer.

The 4-H program is made possible by a team of individuals and organizations, who give their time and abilities, often without reward, except the satisfaction of accomplishment. The club leaders, parents, local sponsoring organizations and clubs, provincial and federal sponsoring bodies and the Department of Agriculture are all participants. The chief aim is to build better citizens and to create in our children an appreciation of our basic industry — agriculture.

All persons are invited to attend their Community 4-H Achievement Day, and observe first hand the results of this worthwhile cause.

CAN PRODUCE 800 THOUSAND BARRELS DAY

Alberta oilfields are now capable of producing about 800,000 barrels a day, but for the last two years have been producing only 300,000 barrels, said Premier Manning at a recent press conference held in Edmonton. He also stated that even if an oil pipeline was built from Alberta to Montreal it would be able to handle only about 200,000 barrels of crude oil daily.

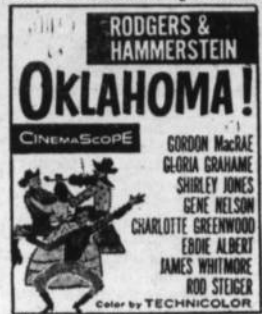

He suggested the federal government should take immediate measures that would result in greater use of Alberta crude on the North American continent. He said he did not want to be critical of the federal government, "but what disturbs us is leaving the development of one of our major natural resources" up in the air.

ENGAGEMENT ANNOUNCED

ARMADA

Mr. and Mrs. Alvin Hendricks of Buffalo were weekend visitors at the home of Mr. and Mrs. F. Stokes.

The junior school was closed half a day on Friday because of so many pupils home with the chicken

pox.

Sunday visitors at the Irvin Ben-
netts' were Mr. and Mrs. Thiessen
and son of Lethbridge.

Mr. Oakes of Arrowwood was a
visitor in the district last week.

Sunday visitors at the home of
Mr. and Mrs. Arnold Boe were Mr.
and Mrs. A. Dye and Mr. and Mrs.

J. Kenny, all of Calgary.

Congratulations to Mr. and Mrs.
Orville Herman on the birth of a
son at the local hospital on May 23.

Mrs. Hazel Marks was a recent
patient in the local hospital.

Nearly all seeding is done in the
district except for flax. The
weather is so changable, one day

it is in the 80's and the next day

snowing and freezing.
Stan and Maurice Henrickson,
Mr. and Mrs. Glen Root, motored

to Calgary on Monday to attend
the horse races.

REDLANDVIEW
Mr. and Mrs. George Todd were

guests of Mr. and Mrs. A. Nixon,

Calgary on Sunday.
Mr. and Mrs. A. Jacobson and
Clara motored to Turner Valley

on Sunday and visited at the home
of Mr. and Mrs. Frank Woods and
Martin and Isaac Jacobson.

En route to Alaska, Mr. and
Mrs. Felmar Erikstad of Devil's

Lake, North Dakota, spent a few

days last week visiting with Mr.
and Mrs. Howard Burrell.

Mr. and Mrs. Betchell and Joan
of Herronton were Monday visi-
tors at the home of Alvie Fulton.

Austin Nixon of Calgary visited
at the George Todd home on Fri-
day.

Owen Fulton motored to Leth-

bridge on Sunday and was accom-
panied home by Darlene Crick.

Mr. and Mrs. Victor Fulton were
Calgary visitors on Monday.

Artificial teeth were considered
quite fashionable by early Roman
women.

We are Proud of Our Progress and Wish to
Heartily Thank Our Customers
For Making it Possible

Open House

We wish to extend a welcome to ALL
to visit with us on Monday afternoon,
June 1, at our Barons office.

FROM a one-man operation in 1949, Gibb's Insur-
ance Service has grown steadily and now has a staff
of seven competent employees.

OUR SERVICES NOW INCLUDE:—

• INSURANCE OF ALL TYPES— Fire, Marine,
Auto, Hail, Life, Accident and Sickness and Pension
Trusts.

• NEARLY ONE MILLION DOLLARS was deposited
through our Treasury Branch Agency in Barons last
year and we provide many other banking facilities for
our customers.

• CUSTOM BUSINESS ACCOUNTING and all forms
of Farm Accounting are done by us. Our office is
equipped with National Cash Register Book-keeping
and Posting machines.

• REAL ESTATE Sales and Conveyancing are other
service facilities that we provide.

• LICENSES for cars, trucks, fishing, big game hunt-
ing, etc., are sold in our Barons office.

Many of these extra services will now be extended
and made available to residents of the Vulcan area.

Insurance Office For Vulcan June 1st

GIBB'S INSURANCE SERVICE have opened an of-
fice in Vulcan in the Dobbs Hotel to provide Insurance
Service to residents of that area.

Selected Charbray Bulls

Just received another carload of outstanding, personally selected three-quarter Charolais Bulls, 15 to 17 months old.

With grass and supplement for 60 days, these bulls averaged over 3 lbs., per day gain on the ranch of the U.S. Sugar Corporation. Their dams weighed 1500 to 1800 lbs.

For hybrid vigor and gain-ability, see these bulls.

Mrs. Gower returned from a holiday.

Priscilla Club

The ladies of the Priscilla Club met at the home of Anna Houser on May 20, with 12 members present. Roll call was answered with "Sing, Speak or Pray." This meeting was a birthday party for Ruth Shumaker, Martha Nelson, Alta Hauser and Mrs. V. Teskey, who was not present because she was in the hospital. Some of the cancer collection was turned in.

There were three contests and the winners were Ruth Dahl, Alice Miller and Ruth Shumaker. The raffle was won by Martha Nelson.

Everyone sat down to a delicious lunch and a beautiful decorated birthday cake. Each birthday member received her gift. The next meeting will be at the home of Mary Ross, June 3, and roll call will be to tell where you would like to spend your holidays.

Hospital Auxiliary

The ladies of the Hospital Auxiliary met on Thursday afternoon with seven members present. The cancer canvass report was given, with \$193 being collected in the town. It was reported that the "Come and Go Tea" held on May 12, was very successful. The raffle was won by Mrs. Szekely. Those on the visiting committee for next month are Flossie White and Melvina Roemmelle.

The meetings will be held the third Thursday in the month, starting at 2:00 p.m. Everyone welcome. Roll call for the next meeting will be to bring a new member.

Mr. and Mrs. Charles Hanwell travelled to Edmonton to see the convocation exercises.

Ed Wellman won the championship on Sunday at the official opening of the Turner Valley Golf Club, winning a nice prize besides the trophy. Lawrence Yeomans also brought home a prize for winning "B" Flight. Mr. Wellman's grandson, Gordon Stauffer of Turner Valley, won the Junior Championship.

Mrs. Lil Manville of Calgary visited on Monday at the home of her daughter and attended the Rebekah Lodge meeting in the evening.

Garth Sultor of Cold Lake and Bob Sultor of Drayton Valley were home for the weekend.

Mr. and Mrs. Gordon Bateman of Calgary are being congratulated on the birth of their daughter, Linda Louise, on Saturday morning, May 23.

The last meeting of the Principal's Association was held in Okotoks in the form of a dinner to which the wives were invited. Guests of honor were Mr. and Mrs. C. M. Laverty. After the delicious dinner, a presentation of a calendar clock was made by I. McLaren. Mr. Laverty graciously accepted the gift and gave a fine farewell speech.

Crop Report

About 90 percent of the wheat crop has been seeded and about three-quarters of the coarse grains. The sowing is to more wheat acreage and less on barley with oats and flax remaining the same for normal years. Growth is very slow with only a few fields showing any crop through. Wild oats were much in control until the present wet spell. Moisture, up until May 24, was good with about one-half inch more rain than in 1958 at this time.

The hay crop outlook looks good with the present moisture assisting greatly as growth is yet slow. Pasture land has shown very little growth and cattle farmers are still feeding their stock.
